*THERE WAS A TIME, QUITE LONG AGO,
WHEN WE WERE YOUNG AND WISHED WITH ALL
OUR HEARTS THAT WE MIGHT STAND WHERE WE
NOW STAND, AND BE WHAT NOW WE ARE.
FOR WE WERE LITTLE THEN, AND SURE
THAT TIME FOR US STOOD STILL. BUT NOTCH
BY NOTCH, IT MOVED US UPWARD THROUGH
THE LOVE AND HATE AND PAIN AND FEAR
AND FUN OF GROWING UP UNTIL
WE, BLINKING, STAND UPON THE EDGE
OF THIS, OUR WORLD, EQUIPPED WITH BOTH
A FUTURE AND A PAST. THOUGH SOME
MAY MEET AND TALK AND SMILE AGAIN
THE MAGIC MOMENT WE ONCE SHARED
IS LOST FOR ALL ETERNITY.*

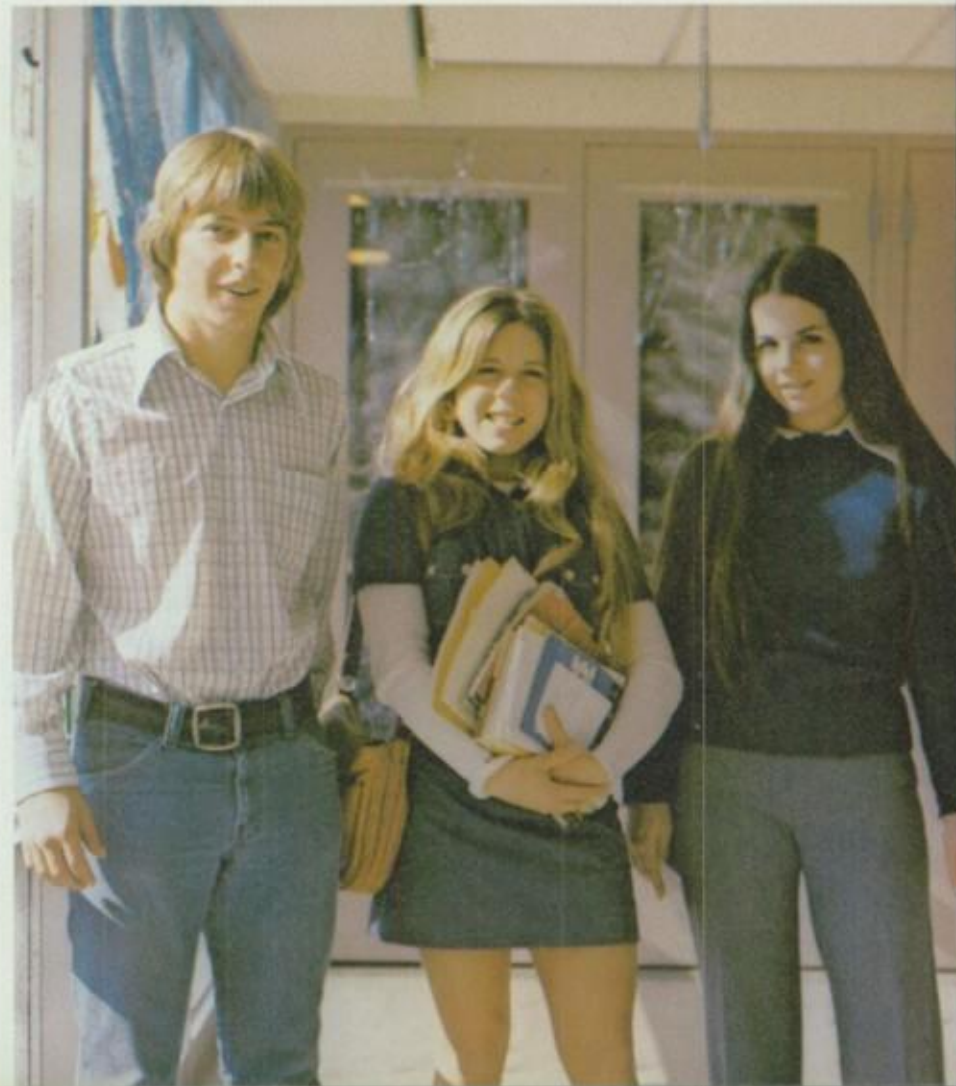

*GOOD LUCK, MY FRIEND, FOR NOW WE PART,
WITH EACH A LITTLE OF MY HEART.*

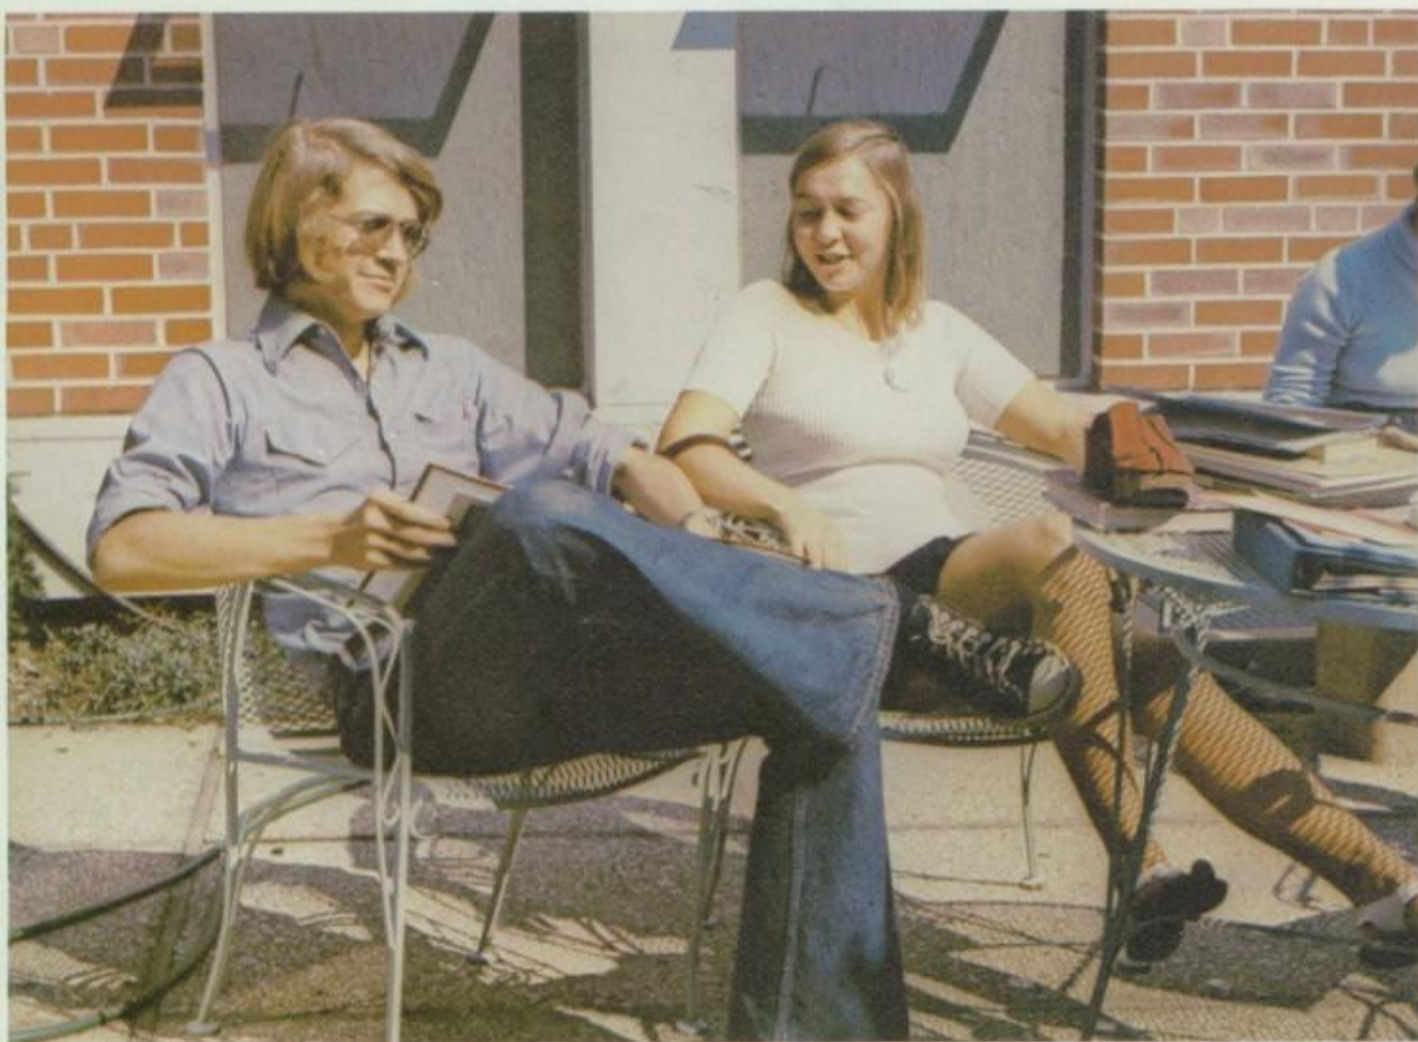

JOHN H. UPDIKE

ADMINISTRATION GUIDES OUR PROGRESS

The administration is responsible for planning a curriculum that will provide the student with a background for college or a vocation. They must then select the qualified personnel and provide the equipment necessary for each course offered at Wyomissing Area High School. This year several of our administrators are working directly with individual students on their scheduling. This type of one to one contact will insure that Wyomissing Area will continue to meet the student's changing needs.

Under the direction of Mr. C. Russell Cattell, the choral organizations scheduled an active year. Aside from the annual Spring and Christmas Concerts staged by the music department, each choral organization gave individual presentations. The Chorus sang at the Pageant of Peace in Washington, D.C., while the Concert Choir caroled for shut-ins and residents of Wernersville State Hospital. Additionally, the Concert Choir taped a music program which was televised Christmas morning. All of the choral organizations must be commended for their dedication to an extremely full schedule. The Chorale's trip to The International Music Festival held in Rome, Italy highlighted choral activities for the year. To fund their many activities the music groups sponsored a spaghetti supper.

PREPARING FOR HEALTH CAREERS

Members of the Health Careers Club plan to enter one of the many phases of nursing or allied professions. Field trips serve to broaden each member's perspective of the need for specially trained medical personnel. The club received a tour of the Crippled Children's Hospital and sold stationery to provide funds for a Christmas service project. The members distributed stuffed animals and Christmas stockings to the patients in the pediatric ward of the Reading Hospital.

Members of the Library Club serve in the school library two class periods per week. In the fall, the officers and senior club members attended the Teen-age Librarian Conference at Kutztown State College, where they received a tour of the college library and campus. The paperback book fair financed club activities for the year, a trip to a branch of the New York Public Library and a Christmas party. The club also prepared a slide presentation of a previous visit to the Library of Congress to be shown at the elementary school.

iors, who were awarded the Spirit Trophy for their outstanding effort, enjoyed a senior breakfast on Spirit Day. The week was completed with the crowning of our 1975 Homecoming Queen, Miss Joda Hoffman, and her court, Dolly Pendergast, Diane Krick, Colleen Channing, and Cheryl Channing.

FROM ROCK

TO ROMANCE

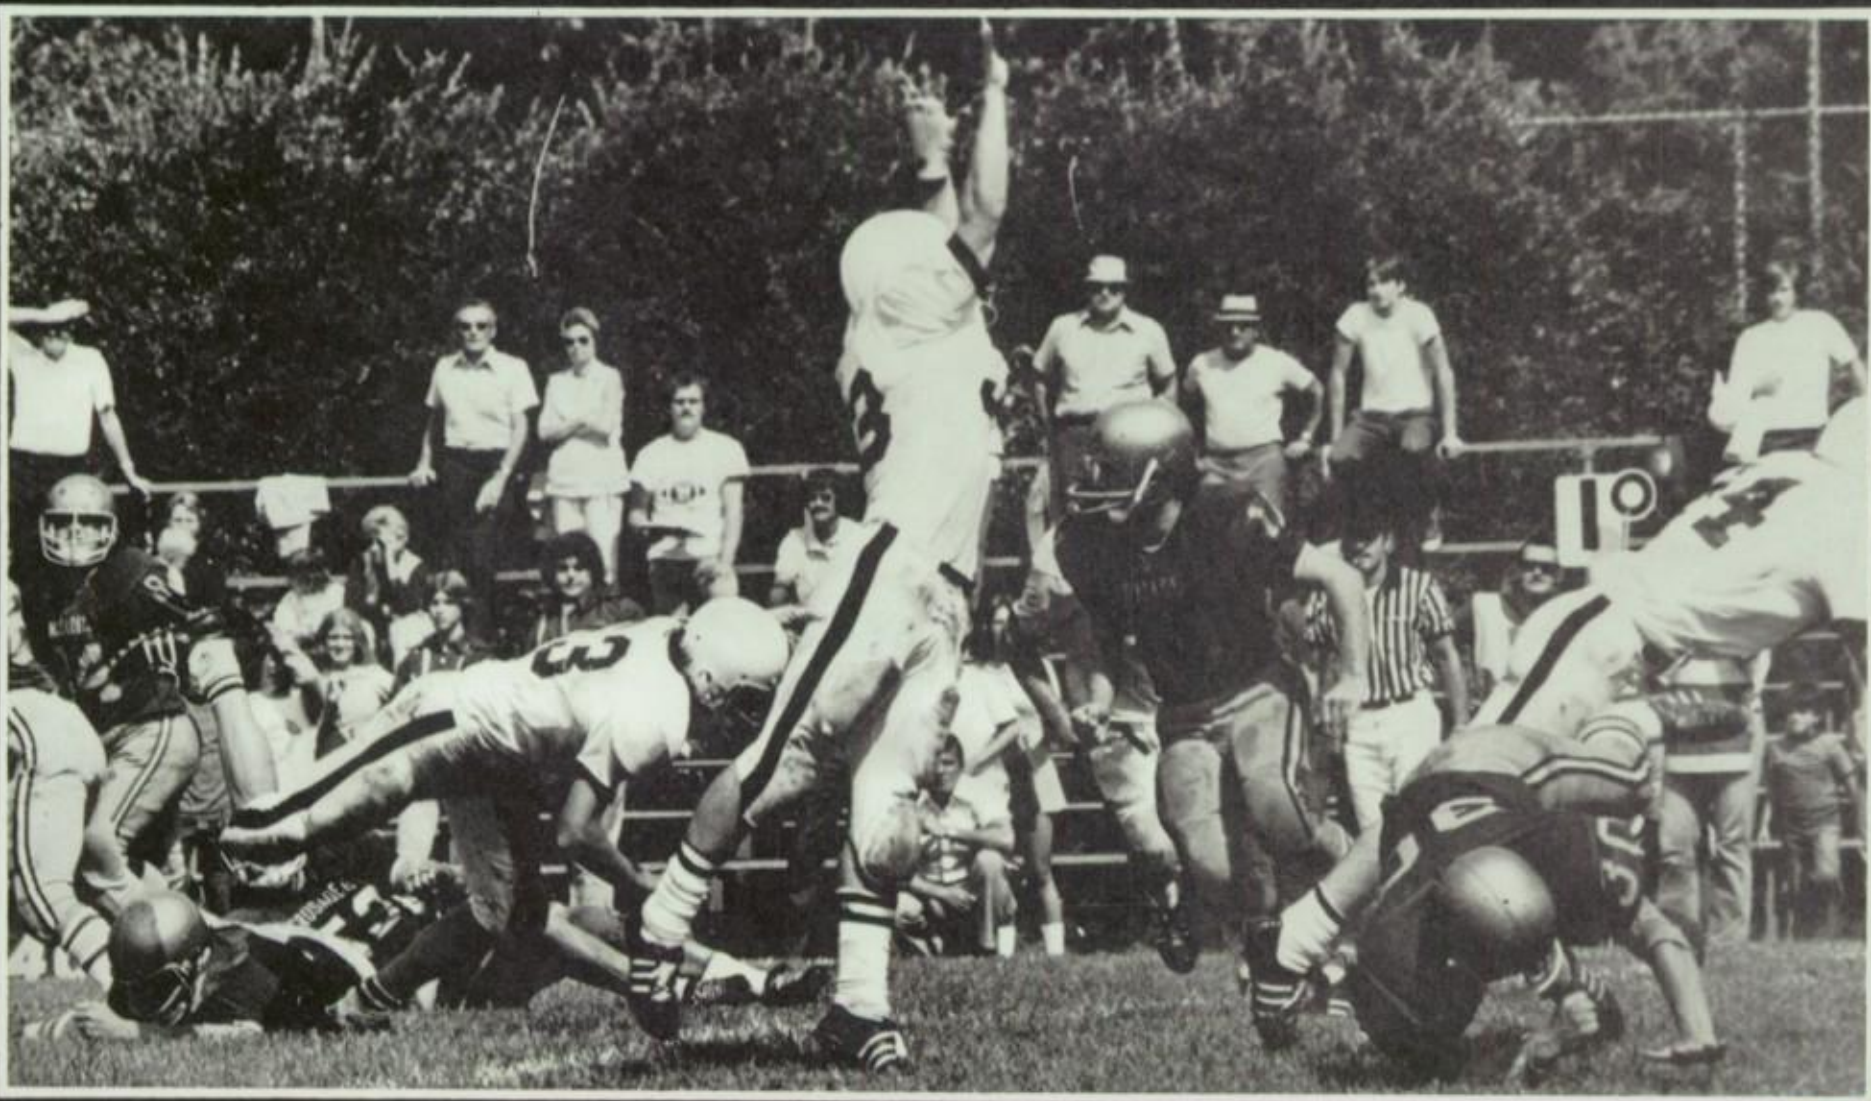

The 1973-74 school year ended with the Junior-Senior Prom which was held at the Berkshire Country Club and sponsored by the class of 1975. The theme of the prom was "Knights in White Satin." The elegant evening was followed by "The Morning After," the theme of the post-prom party.

The opening events of the 1974-75 school year were a concert given by Free Fare, a rock group from Florida, and a Greaser's Day during which much of the student body dressed in 50's costumes. Greaser's Day ended with a sock hop held in the gym.

The season's record did not reflect the type of baseball the team played. Returning lettermen will be an asset to the 1975 season.

ACKNOWLEDGEMENTS

The 1975 Colophon Staff wishes to express its sincere thanks to the students, the faculty, the members of the community, and the senior class for supporting this year's book. We extend special thanks to Mr. Charles Gebensleben for his expert management of our financial matters, to Mr. Robert Rasbridge for devoting his valuable time in the professional handling of the photography and senior portraits, and to Mr. John Updike for allowing us to use his poem for this year's theme.

Our deepest thanks go to our advisor, Mr. Charles Bell, for his superb guidance and advice, without which the production of this book would not have been possible. His knowledge and experience have enabled us to recapture an unforgettable and important year in our lives.

I'd like to extend my personal thanks to my assistant editor, Karen Hain, for sharing the many responsibilities I had as editor and to my devoted staff for their hard work and long hours. They put forth a tremendous effort to make the 1975 Colophon an exceptional yearbook.

Denise Masano
Editor

To the ancient Greeks, the "kolophon" was an inscription placed at the end of the manuscript with facts relative to its production. The 1975 Colophon staff has attempted to capture the events and the spirit of its senior year at Wyomissing Area High School. We affix this "kolophon" inscription — an identifying symbol of excellence signifying the termination of an accomplished endeavor — in the hope that our yearbook has merited this mark of excellence.
